REPLY OF BRITISH PREMIER GIVEN OUT

SUGGESTS MEETING FOR DISCUSSION OF POINTS AT ISSUE

Belief is Universal That Mr. DeValera and His Associates Will Accept the Invitation —Premier Says Correspondence Has Lasted Long Enough—Suggests Sept. 20th

(By The Associated Press)

LONDON, Sept. 8.—Premier Lloyd George's letter to Eamonn DeValera, the Irish Republican leader, which was forwarded to Dublin after the meeting of the British cabinet at Inverness yesterday, seems at last to insure that Sinn Fein plenipotentiaries will meet the special committee of cabinet ministers at Inverness on Sept. 20 for the purpose of clearing up any ambiguity the Sinn Fein leaders may entertain about the six conditions the British government stipulated as reservations in granting Ireland a dominion status.

The premier's letter, like all his communications since the Irish negotiations began, is characterized by punctilious consideration for the Sinn Fein.

While it suggests a date for the proposed conference, it is in no sense an ultimatum and sets no time limit to the negotiations. In fact, it tends to prove what has been maintained thruout by those close to the premier, that he earnestly desires a settlement.

The belief is almost universal tonight that Mr. Devalera will accept—that what the premier offers is what Mr. Devalera desires namely an untrammelled conference with the single condition that Ireland remain in the British Empire.

Assuming that the conference will meet as suggested there is still the question of Ulster, which is not touched in the premier's letter. Mr. Lloyd George's orginal proposal was for a tripartite conference including Ulster but to the present there is no sign that Ulster has yielded in the slightest in its determination to base itself on the home rule act and the North parliament.

Text of Letter

Lloyd George's letter which was despatched to Dublin from Inverness, Scotland, yesterday in answer to the latest note from Eamonn Devalera, the Irish leader follows:

"His Majesty's government has considered your letter of August 30 and has to make the following observations upon it:

"The principle of government by the consent of the governed is the foundation of the British constitutional development but we cannot accept as a basis of a practical conference an interpretation of that principle which would commit us to any demands you might present even to the extent of setting up a republic and repudiating the crown."

"You must be aware that a conference on such a basis is impossible. So applied, the principle of government by consent of the governed would undermine the fabric of every democratic state and drive the civilized world back into tribalism.

"On the other hand, we have invited you to discuss our proposals on their merits, in order that you have no doubt as to the scope and sincerity of our intentions.

May Discuss Guarantees.

"It will be open to you in such a conference to raise the subject of guarantees on any points in which you may consider Irish freedom prejudiced by these proposals. His majesty's government is loath to believe that you will insist upon rejection of their proposals without examining them in a conference.

"To decline to discuss a settlement which would bestow upon the Irish people the fullest freedom for national development within the empire can only mean that you repudiate all allegiance to the crown and all membership in the British commonwealth.

"If we were to draw this inference from your letter the further discussions between us could serve no useful pupose and all conferences will be in vain. If however, we are mistaken in this inference, as we still hope, and if your real objection to our proposals is that thev offer Ireland less than the liberty we have described that "can be explored at a conference."

"You will agree that this correspondence has lasted long enough. His majesty's government must therefore ask for a definite reply as to whether you are prepared to enter a conference to ascertain how the association of Ireland with the community of nations known as the British Empire can best be reconciled with Irish National aspirations.

"If, as we hope, your answer is in the affirmative, I suggest that the conference should meet at Inverness on the 20th instant,"

REVENUE NEEDS WILL BE OVER $4,000,000,000

Secretary Tells Senate Finance Committee Thursday

(By The Associated Press)

WASHINGTON, Sept. 8.—Changes in the house tax bill recommended today to the senate finance committee by Secretary Mellon included: Repeal of the excess profits taxes effective as of last January 1, instead of next January first, retention of all of the transportation taxes for the calendar year 1922, but at half the present rates instead of next plete repeal as of next January 1.

Repeal of the capital stock tax effective next year an entirely new proposal.

Reduction of the maximum income surtax rate from sixty three per cent to twenty five per cent effective January 1, 1922 instead of thirty two per cent as provided in the house bill.

An increase of five per cent, nstead of two and one half per cent in the normal corporation income tax, making the total fifteen per cent retroactive until last January 1.

A manufacturer's tax on cosmetics and proprietary medicines to replace the present stamp taxes which were eliminated by the house. Retention next year of the taxes on insurance premiums but at one half the present rates.

With these exceptions, the treasury secretary was understood to have approved the house measure with its provisions for an increase of $50 in the exemption to heads of families having net incomes of $5,000 a year or less and $200 additional for dependents; for decreased rates on sporting goods, yachts and furs and for manufacturers taxes on fountain syrups and other ingredients of soft drinks in lieu of the present so-called nuisance taxes.

Mr. Mellon was before the committee at two sessions and there was a general discussion of his recommendations as well as of the probale revenue needs of the government for this fiscal year.

Need Over $4,000,000,000.

The secretary placed these at $4,034,000 on the basis of the reduction in expenditures agreed upon at the white house tax conference last August ninth and estimated at $800,000,000 of this total would be raised from nontax source, such as customs, salvage and the like, leaving $3,234,000,000 to come from internal taxes.

This total is $134,000,000 less than the estimated receipts under the house bill for this year, the difference being accounted for by the repeal of the excess profits taxes as of last January 1.

This was to make up the loss from profits tax that Mr. Mellon proposed an additional two and one half per cent increase in the corporation income tax, retention

UNITED STATES IS CRITICIZED BY ROBERT CECIL

Blames This Country for Delay in Adopting Mandates

(By The Associated Press)

GENEVA, Sept. 8.—The council of the league of nations, the United States, mandatory powers and countries that are continuing to arm came in for trenchant criticism in the first day's debate in the assembly of the league of nations on the work done by the council of the league.

Hjalmar Branting, of Sweden, accused the council and the secretariat of the league of partiality and extravagance. Lord Robert Cecil, representing South Africa, defended both the council and the secretariat.

Lord Robert was very severe, however, about the countries, which he said, according to statistics, are spending 20 per cent of their energies on armaments and at the same time complaining of economic instability and a bad trade situation. He blamed the United States for the delay in the adoption of the A and B mandates and introduced a resolution that these terms be immediately defined.

Lord Robert's address seemingly made a great impression on the members of the assembly. The committees continued their work this afternoon. The council's commission on amendments finshed its labors by deciding not to recommend the adoption of an amendment by Charles J. Doherty, delegate from Canada, eliminating Article X from the covenant of the league of nations. At the same time it passed an interpretative resolution intended to meet American obligations to the clause.

Cannot Bind Government.

That a president of the United States cannot alone under the constitution bind his government on a question of mandates is brought out briefly in one of the paragraphs of the last American note on mandates, copies of which are circulating among the delegates of the assembly. The note is dated Aug. 8, and is addressed to the French government.

The note begins with the restatement of the general American position on mandates. Mandates respecting the former German colonies, it says, were only made possible the victory of the principal allied and associated powers, of which the United States was one.

The American government, although the United States did not take part in the war against Turkey, affirms the right to have a voice equal to that of any other power in deciding the mandates over former Turkish possessions because the distribution of this mandate was made possible only thru the victory over Germany in which the United States shared.

It was requested in the note that wherever in mandates it is mentioned that equal rights are to be given to "members of the league of nations," a phrase will be substituted referring to countries mentioned in annex 2 of the treaty of Versailles among which is the United States.

METHODISTS OF UNITED STATES MAKE ADDRESSES

Discuss Many Subjects at Conference in London

LONDON, Sept. 8.—Addresses by Judge Charles B. Ames of the Methodist church, South, who presided; H. Morrison of the Methodist church, South; W. T. Davison of the Wesleyan church; Bishop Richard J. Cook of Montana, William Grist of the United church, the Rev. Ivan Lee Holt, president of the Southern Methodist University, Dallas, Texas; and The Rev. George Elliott of Detroit, were delivered at the morning session of the world's conference of Methodists in session here today.

The question of an expression by the conference on the forthcoming conference on limitation of armaments at Washington is being considered by a committee and probably will come up in the conference Friday.

Discussions of modern biblical criticisms and evangelical theology by British and American ministers constituted the chief feature of this afternoon's session. Among the principle speakers were the Rev. Dr. A. S. Peake of the primitive church; Dr. Ryder Smith of the Wecleyan church, the Rev. Lyman E. Davis of the Methodist Protestant church and Rev. William D. Bradfield of the Wesleyan church.

"I am counselling the young women who have matriculated in the household arts course to make their dresses according to the prevailing mode," she said.

ROOT MAY TAKE INFORMAL PART IN CONFERENCE

Former Secretary of State Talks With Harding and Hughes

(By The Associated Press)

WASHINGTON, Sept. 8.—At least informal participation by Elihu Root in the armament limitation conference today appeared assured as a result of conferences between th former secretary of state and President Harding and Secretary Hughes.

Mr. Root, whose name has been suggested frequently in connection with the American conference delegation spent almost an hour with President Harding and later after talking with Secretary had lunch at the White House. He said that no suggestion had been made of his appointment as one of the American representatives

Has Talked With Hughes.

The former secretary of tstate however, said that he discussed with Secertary Hughes means by which the Carnegie Endowment for international peace might assist and co-operate with the armament conference.

Mr. Root is president of the Carnegie organization whose offer of assistance both of personnel and information in connection with the conference was accepted by Secretary Hughes several weeks ago. In his capacity as president of the Carnegie Endowment it was explained that Mr. Root, even if he should not be offered a place on the American delegation would be in a position to assist in the conferenece at least in an informal and advisory capacity.

Reports have been current among prominent officials that Mr. Root might be named on the American delegation but there was no confirmation forthcoming after today's conference.

TO INVESTIGATE BLUE SKY FIRMS

(By The Associated Press)

OMAHA, ebr., Sept. 8.—A special grand jury today began an investigation of reports of violations of the law in connection with the failure of business enterprises with headquarters here.

District Judge A. C. Troup told the grand jurors that the reports were that concerns, none of which were named, had been capitalized for fictitious amounts, and that stock "aggregating thousands and perhaps hundreds of thousands of dollars," had been sold to innocent and unsuspecting persons. He also said it had been reported that officers and others connected with the concerns had "plundered their own treasuries."

The jury was also asked to investigate a complaint that there is an unlawful combination in Omaha to exact unreasonable rentals.

BROTHERHOOD MEETING.

The regular meeting of the Congregation Brotherhood of the Congregational church will be held this evening. Supper will be served at 6:30 o'clock and will be followed by the regular program.

CORN CROP MAKES BIG JUMP BECAUSE RAINS IN AUGUST

Wheat Shows Decline of 3,000,000 Bushels, Oats Also Short

(By The Associated Press)

WASHINGTON, Sept. 8.—Recovery of the corn crop during August from the serious damage sustained from July weather conditions, feature of the September report of the department of agriculture issued today. Favored with good growing temperatures and plenty of rain in practically the entire corn belt the production forecast made a jump of 154,000,000 bushels bringing the estimated total yield to 3, 186,000,000 bushels or only 48,000,000 bushels less than last year's crop the largest ever grown. With continued favorable conditions this year's production may yet become a record crop. Indications are that most of the crop is now out of danger from frost.

Wheat Crop Shows Decline.

The wheat crop showed a decline of 3,000,000 bushels with a total of 754,000,000 bushels indicated as this year's harvest.

Oats will be a short crop this year, the indicated production having declined 47,000,000 bushels during August with a total crop of 1,090,000 bushels forecast. This is 436,000,000 bushels smaller than last year's crop and 343,000,000 bushels less than the average for the five years previous to last year. Potatoes showed an increase of seven million bushels over a month ago with a total of 323,000,000 bushels, but the crop is almost 10,000,000 bushels smaller than last year and almost 50,000,000 bushels below the average of the five years previous.

PROHIBITION HARD ON MEDICAL COLLEGES

TORONTO, Sept. 8.—Prohibition was blamed for the scarcity of bodies furnished to medical colleges, for dissecting purposes by Dr. J. B. McCurrich, professor of anatomy at the University of Toronto in an address today before the Canadian Embalmers association.

Since prohibition became effective, Dr. McCurrich declared, men belonging to the class that formerly died destitute thru indulgence in liquor were now leaving money enough to give them a regular burial and colleges rarely obtain any bodies from that source.

DISCOVER BIG MOONSHINE PLANT

CHATHAM, Ont., Sept. 8.—A moonshine plant which revenue offivers believe was operated by Americans as a source of supply for points in Michigan was raided early today near iMtchell's Bay. Some of the confiscated liquor tested 3.6 below proof. The searchers found a large still made of two boilers to permit continuous operation, a bottling outfit complete with top and topping machine, large quantities of lithographed labels of a dozen popular brands. The officials found no one at the still and concluded that its owners were on a trip to Michigan with a boat load of liquor.

MINNESOTA MAN KILLS THREE IN RESISTING ARREST

Murderer Makes Escape and Has Not Been Apprehended

(By The Associated Press)

HIBBING, Minn. Sept. 8.—Chief of Police Daniel Hayes and Chief of Detectives Gene Cassiday and William Kohrt, a traffic officer, all of Hibbing are dead from rifle shot wounds inflicted by John Webb, at Nelson, just south of Hibbing, late today. The officers were attempting to arrest Webb on a statutory charge. Webb made his escape toward Wilpin and is being pursued by a posse of several hundred men.

An 18 year old son of Webb's came here this afternoon and swore out a warrant against his father, alleging an offense against Webb's young daughter. Hayes, Cassiday and Kohrt immediately went to Webb's home at Nelson.

Shot Thru Heart.

When Chief Hayes opened the door was shot thru the heart and killed by Webb, who used a 30-30 rifle. As Cassidy stepped forward he was shot in the shoulder dying within a few minutes.

Kohrt was hit in the shoulder. He was brought to a Hibbing hospital where he died tonight.

When news of the tragedy became public several hundred men set out in pursuit of Webb, who fled. Webb has the reptation of being a crack shot and the possemen were warned about this.

Webb is a widower and the father of six children. Recently neighbors said he had been acting in a peculiar manner. Last night he terrorized his children and they slept in the woods.

Chief Hayes was 37 years old and had been on the Hibbing force a year. A widow and three children survive. Cassidy also leaves a widow and two children while Kohrts family consists of a wife and two children.

Search for Webb had proved unavailing up to a late hour tonight but a report reached police headquarters here that about 11 p. m., the fugitive had telephoned thru the local exchange to a friend in West Duluth offering $45 if the friend would come and get him. Efforts were being made to trace the call.

SPORADIC WALKOUTS FOLLOW DECISION OF JUDGE LANDIS

Believe Situation will Adjust Itself Within Few Weeks

(By The Associated Press)

CHICAGO, Sept. 8.—Unauthorized sporadic walkouts of the various building crafts resulted today from Judge K. M. Landis' decision cutting wages and reforming working rules.

Despite the efforts of union officials hundreds of workers threw down their tools in protest against the decision of the arbiter. Both contractors and union officials however, declared that the situation will adjust itself within a few weeks as the men become more familiar with the operation of the new agreements.

The union leaders will ask Judge Landis, it was indicated, to re-open a discussion of the cases of many organizations which still harbor grievances.

The electrical workers tonight voted to accept the wage cut order by Judge Landis according to labor leaders. This union is said to be the first to ratify the new scale. Electrical workers' calaries were cut from $1.25 an hour to $1.10.

RAID CENTURY ROOF GARDEN

New York, Sept. 8.—The Century Roof Garden restaurant, one of the most popular of New York's night life resorts was raided late tonight by prohibition agents, after they alleged they had purchased a half pint of whiskey for seven dollars. Sigmund Werner, the proprietor, and Joe Buck, his head waiter, were arrested on charges of violating the Volstead law. Buck for the alleged selling of liquor and Werner for maintaining a public nuisance.

JOBLESS MEN PLACED ON AUCTION BLOCK IN BOSTON COMMON

Were Taken to Common by Philanthropist Who Wished to Bring Home to People of Boston Their Stories of Human Misery—One Man Had Served in Army Four Years

(By The Associated Press)

BOSTON, Sept. 8.—Jobless men were placed on the auction block on the Boston common today. Stripped to the waist after the custom of the old slave auctions, they declared their willingness to work by standing before a crowd of thousands, offering their services to the highest bidder.

"Shorn lambs of unemployment," their auctioneer, Urbain Ledoux, called them. Ledoux, a philanthropic worker, led a group of 50 to the common to bring home, he said, to the people of Boston their stories of human misery, just as William Lloyd Garrison pleaded for the slaves on the same spot seventy years ago.

It was to prove that his charges were not parasitic floaters, but instead good citizens out of a job, that he put some of them on the block, he explained. Of the three who stood up for bids none went away to a job, altho from the crowd came pledges of help to tide them over a week or two while they sought employment. Their leader announced that the auction was to be a daily event, to be continued at least for the remainder of the month.

Ledoux and his men, box lunches in hand came to the common from the West End headquarters where he has fed hundreds in the last week. While they munched their sandwiches he called for volunteers to stand at auction prepared to work for a week for the highest bidders. Eight men stepped out most of them in clothing that was frayed and shoes wel down at the hells.

Had Not Worked For Year.

One man had not worked for a year. Another had eaten only twice a week in six months of unemployment. James Ferris, 25 years old, an upstanding man who said he had served four years in the army, was called to the block on the steps of the Parkman Memorial bandstand. He stripped to the waist and while Ledoux directed went thru the army calisthentics to show the extent of his muscular development. Bids were called for. Tasy wer made but when they were called those who had made them had slipped away.

A dog was brought to the block. He was knocked down for $5 with the condition, accepted by the successful bidder, that he be returned to the "Church of the Unemployed," as its mascot.

Joseph Mitchell, a negro, was then called. His shoes were without solos and his clothing ragged. He said he had been without food for days at a time in the six months he had been out of a job.

There was no bid for his services and the auctioneer called on the crowd to pledge him food and shelter for a week. Mrs. Annie Jackson responded and went the auctioneer one better by saying she would be responsible for Mitchell's sustenance and shelter for a second week if necessary.

William Davis, a boy of 18 years, out of a job for a year was offered to the crowd as one willing to work. He had kept himself going for a time on $300 that he had saved, but had reached the end of his rope and was in hunger yesterday.

With no bids for the three men set up Ledoux suspended his auction announcing that it would be repeated tomorrow.

OFER REWARDS FOR DYNAMITERS

Atlanta, Ga., Sept. 8.—Rewards totalling $5,500 were offered today for conviction of the persons responsible for dynamiting an Atlanta, Birmingham and Atlantic railroad freight train near here last night in which John Norris, the engineer lost his life and three other trainmen were injured.

TERRIFIC RAIN BRINGS QUIET TO STRIKE ZONE

Roads Leading to Elizabethtown Are Impassable

(By The Associated Press)

ELIZABETHTOWN, Ill., Sept. 8.—A terrific rainstorm broke this afternoon and tension was lessened as all roads to the hillsides where 800 armed miners are reported encamped were rendered impassible and it was regarded as almost impossible for the miners to make any movement.

Early tonight it continued to rain and reports coming in to Elizabethtown were that the miners were returning to their homes.

A party of 25 was reported to have gone north last night thru Karbers Ridge. All was quiet here tonight.

Four machine guns were mounted on trucks and 50,000 rounds of ammunition was made ready for use. Four more machine guns were due to arrive here tonight.

The road from here to Harrisburg is crossed by many fords and for a quarter of a mile runs up the creek bed assuring the impossibility of any movement along that route.

Sheriff D. N. Cox telegraphed today to the adjutant general at Springfield requesting that 250 Springfield rifles with ammunition be sent to him to repel the invasion of miners.

"The situation is very serious," the sheriff said.

False Stories Circulated

The sheriff also telegraphed Gov. Len Small that false stories have been circulated in Williamson and Saline counties to the effect that men have been killed and women and children beaten in Rosiclare with the purpose of inflaming the coal miners.

Outlying farmers and travelers on the roads are being threatened and held prisoners by the miners, the sheriff told the governor and he asked that sheriffs at Saline, Franklin and Williamson counties be ordered to prevent further invasion of Hardin county.

Mayor Ed Ferrell of Rosiclare and Mayor George A. Wall of Elizabethtown sent similar telegrams to the governor and advised him that unless the invaders are turned back heavy firing with serious loss of life will follow. A farmer who arrived from Karbers Ridge, 12 miles north of Elizabethtown this morning reported that there was considerable movement of armed men in automobiles thru the village last night. Men who yesterday held the Karber Ridge-Elizabethtown road withdrew into the hills following the capture of four miners by a score of deputy sheriffs yesterday and the farmer reported the route reopened today.

The import trade record of the U. S., for 1921 emphasizes the fact that indudstry has suffered and it is the assertion of many business men that the chief cause for this is the Democratic system of taxation which, when discarded, will permit enterprise to function in truly American fashion.

When considering the fact that the shipping board sold the wooden ships at a price of $2100 apiece, it should be borne in mind that the sale cut the board's pay roll by $50,000 a month. The saving thus effected in a year's time would total more than the whole fleet brought.

It is gratifying indeed that the Morgan county breeders' fair was a financial success. It meant a great deal of work to prepare for this fair and the officers and directors had only the one purpose —the betterment of farming and livestock conditions in the county. That success crowned their efforts means a greater fair another year.

Utility corporations have announced plans to spend $85,000,000 in betterments the coming year. The Chicago decision will release millions of dollars worth of general contracts. Take these things into account and remember the extent of the road building program for Illinois and other states, and it is not difficult to figure out that the question of unemployment is not very far from settlement.

Enemies of the Administration profess to see a joker in the Berlin Treaty which would permit the President to put the United States into the league of nations without the consent of Congress. Such a contention is absurd. The treaty specifically provides that "the United States shall not be bound by the provisions of Part I of that treaty (covenant of the league in the Versailles Treaty) nor by any provisions of that treaty which relate to the covenant of the league of nations."

Another fact which the frequent fatalities at railroad crossings should impress is the need for the elimination of grade crossings. This will not be possible in every instance, but while hard roads are in the making it is possible to greatly reduce the number.

Crossing accidents of today result when trains and automobiles collide. The greater percentage of automobile travel will be on hard roads and with grade crossings eliminated the death toll will be much less.

Perhaps Judge Landis should not be holding two jobs, but certainly he has performed a great service to the public in making his finding in the Chicago building trades situation. The finding is expected to end the long tie-up and start building operations totalling millions of dollars.

Chicago is not alone in this interest, because it is confidently hoped that the Landis finding will be used as a basis for settlement in many other cities where building operations are at a standstill, because of the differences of opinion between contractors and employes.

A RECORD OF ACCOMPLISHMENT.

People quite often speak without due thought and declare lightly that Congress has done nothing in the session from which recess was recently taken.

It is fair to remember that Congress enacted an immigration restriction law; the Packers and Stock Yards act; an act preventing gambling in grain futures; an act making available for the Farm Loan Banks $25,000,000 extra capital; the Agricultural Credits act, which is an amendment to the War Finance Corporation to utilize up to a billion dollars in providing credit for agricultural purposes and to aid in the exportation of agricultural products. Then there is the act providing relief to the government of the Philippines by increasing its legal indebtedness; an act providing for consolidation of independent telephone companies, whereby losses thru unwise duplication may be eliminated and the public may be given more satisfactory service and more reasonable rates; an act creating a Joint Congressional Agricultural Commission; an act amending the Edge law, which facilitates the organization of corporations to promote export trade.

THE GOOD DAYS.

There is good cause to feel cheerful about the future of business Jacksonville. Not in years has there been a more hopeful outlook. The spirit of real progress is in the air and the desire to be up and doing seems to be catching.

The business district these days is crowded with automobiles and shoppers, new fronts are being put in several stores while the appearance of the entire business district gives the stranger the idea that he is in a city of much larger population. It is the frequent comment of tourists that this is a busy city.

A number of new homes are being erected and a large amount of remodeling is going on in the business and residential districts. The long looked and hoped for pure water system is at last a reality, a big hard road building program for the community is a settled fact.

Real estate men say they could fill 300 new houses in twenty-four hours. It's a fact, there is a long waiting list of people ready and willing to come to Jacksonville if houses were available.

THIS IS A BIG PICTURE

"The Branding Iron" is a big picture—one of the biggest we have ever had the pleasure of presenting to our patrons. A plot with a triphammer punch—a cast of famous actors—masterly direction—beautiful protography—"The Branding Iron" has everything a really big picture should have—and more The most powerful and gripping story that has appeared in photoplay form in recent months is without doubt "The Branding Iron." It is a story as broad in its sweep as the great outdoors itself; it portrays a clash of the most intense emotions of which human beings are capable. It will hold you breathless as you watch the unfolding of a theme as powerful and direct as a thunderbolt. "The Branding Iron" is a photoplay you will long remember, not only as a gripping, soul stirring story, but as a masterpiece of photography and of the director's art. You should make it a point to see this picture.

FAIR CERTAIN EVENT FOR COMING YEAR

Success of This Year's Exhibit Starts Plans for 1922—Good Attendance on Final Day Notwithstanding Rain.

The first annual Morgan County Breeders' fair was so successful that next year's fair is an assured fact. Thursday was the third and final day for the fair. Unfavorable weather interfered somewhat with the attendance. Nevertheless, there were hundreds present to witness the stock judging in the morning and early afternoon hours and to see the grand review of premium winners.

The officers of the association were thoroly gratified by the interest shown and received so many favorable comments that they practically determined upon a fair for next year on a still larger scale and possibly upon grounds owned by the association.

Th. Pig Club sale was a feature of the day and the results of that sale are told in another column. Judging in all departments was finished in the afternoon and the big task of paying off the winners had nearly been completed when the closing hour came. Secretary Ricker announced that all checks which had not been paid to successful exhibitors can be obtained at the farm bureau office.

Mrs. Charles Hadden gave certain proof of her interest in the fair by selling the articles she had on exhibition and placing the $5 thus secured in the general fair fund for 1922. There were other like incidents, all going to show that there is a real demand for a fair in Morgan county.

Wednesday was the biggest day of the fair, the cash receipts at the gate being near the $1,000 mark. While the receipts were not as large yesterday, the average of the three days was fully up to the expectations of the officers.

WINCHESTER CHURCH HELD CHICKEN FRY

Members of Baptist Church Served Fried Chicken Thursday to Large Crowd—Other Winchester News.

Winchester, Sept. 8.—Members of the Baptist church had their annual chicken and fish fry Thursday. The serving was on the church lawn until noon, when the hard rain made it necessary to adjourn to the church basement. The unfavorable weather conditions interfered somewhat with the attendance, but the affair as a whole was a success. A splendid menu was served and a four piece orchestra furnished a fine musical program during the day.

Midshipman Edgar Sperry of the U. S. Naval academy at Annapolis is here for a visit with his parents, Mr. and Mrs. R. H. Sperry.

Relatives and friends here were greatly shocked and saddened by the news of the terrible accident which befell Frank O'Donnell, wife and daughter, and the later news of the death of Miss Bessie O'Donnell. They had just completed a delightful two weeks' visit here with relatives and friends and were returning to their home in Chicago when their auto was struck by a train near Streator, with the above result.

Mrs. Mary Bentler celebrated her 80th birthday Tuesday, and her children served a splendid dinner at the home of one of the daughters, Mrs. George Longnecker. It was a bountiful spread and one of the important items was a large cake bearing eighty candles. Mrs. Bentler's many friends are glad to know that she is enjoying excellent health, considering her advanced years.

Meri Korty of Bluffs was a business visitor in Winchester Thursday.

WALTER BROWN HELD CLOSING OUT SALE

Walter Brown held a closing out sale Thursday at his farm home several miles southeast of Murrayville. The bidding was good and the sale totaled something like $1300. H. E. Spencer was the auctioneer and Isaiah Whitlock the clerk. Lunch was served by the Aid society of Zion M. E. church. Mr. Brown and his family are soon to remove to Jacksonville and hence held this closing out sale.

A few of the sales recorded are listed below:

Charles White, cow, $41.
Chester Barber, cow, $40.
Fred Rule, 3 calves at $16 each.
Riley Strawmatt, horse, $72.
Hay sold at 39 to 46 cents per bale, while stock hogs brought prices ranging from $9 to $11 each. Farm implements sold fairly well.

REAL ESTATE TRANSFERS.

C. A. Rousey to Stanley Painter, lots 4 and 5, Yates & Green's addition to Jacksonville, $1.

S. W. Carter, Jr., to Sylvester Carter, quit claim deed to lot 4, Hackett & McClung's addition, $1.

WOMAN'S RELIEF CORPS.

The regular meeting will be held this afternoon at the usual place and at the usual time.

WILL MAKE HOME IN CALIFORNIA

Family of W. F. Widmayer Will Go to California—Mr. Widmayer Will Follow As Soon As Business Is Arranged.

Mrs. W. F. Widmayer and two daughters, Hazel and Ida, who are well known in this city, expect to leave for Oakland, California, within the nert two or three weeks. Mr. Widmayer will not be able to go with them at that time but will go as soon as his business interests here will permit.

The Widmayers plan to make California their home permanently, and will go to Oakland first, where they will visit with Mrs. Widmayer's brother, Harry Hewett, who is engaged in business in Oakland. After an indefinite visit there they expect to visit Los Angeles and other points in southern California until they decide upon a suitable residence.

Charles Widmayer, a son, who was recently married in Chicago, will probably make the trip to California with them.

It is with deep regret that people of this community learn of their coming departure. They have an unusually wide list of friends who will greatly miss them. Mr. Widmayer has succeeded in business here and has built up a prosperous meat market business. He is planning to sell his business interest here but has not as yet announced what activities he will engage in when he becomes located in his new western residence.

The family plans to go to Chicago for a few days first, where they will visit with Charles Widmayer and wife and will then proceed to California by the northern route.

KAPPA GAMMA WILL PRESENT PICTURE

The Kappa Gamma Literary society, which was organized in 1917 in the local high school, bought that year a print of the picture, "First American Ship Recognized in Foreign Waters," and were to present the picture to the high school. Shortly after the picture had been ordered, however, the building burned and the matter was dropped until just recently.

Miss Hazel Widmayer, a former member of the society, notified Miss Elizabeth Russel about the picture and it was taken to the high school and will be presented as soon as matters there are sufficiently settled to allow it. The society bought the picture during the year 1917 when it was discovered that there would be a considerable sum of money on hand above expenses. Now after such an elapse of time the picture will reach its destination in one of the beautiful rooms of the new building.

Another lovely picture has been given to the high school recently also. It is an oil painting of a landscape and is quite large. It was done by the sister of Miss Elsie Goodrick, Miss Ida Goodrick. It will be remembered that Miss Elsie Goodrick was formerly music instructor in the public schools here. The picture has been given to the school by the W. F. Widmayer family, who are to leave for California in a few weeks.

CORRECTION.

In the article concerning the Alexander Woman's club, which appeared in yesterday morning's paper, it was stated that the next meeting would be held at the home of Miss Elizabeth Snyder. This statement is not correct and should read that the next meeting will be held at the home of Mrs. Frank Foster on the 22nd of this month.

MANY CANDIDATES OUT FOR FOOTBALL

Nearly Sixty Men Answer Call of Coach Mitchell at High School.

Yesterday afternoon between fifty and sixty students answered the call for football candidates issued by Coach Mitchell. This gathering was a sort of get-together conference and it was clearly shown the J. H. S. will not lack football material for the coming season. Of course many of the aspirants are freshmen and have had very little football experience but there are enough veteran players to insure a fine team.

The spirit of loyal backing of the football program and athletic affairs of the school is easily discernible among the students and is of the sort that will put the jump into a team.

The first game of the season will be played the last of this month, so it will not be long after the beginning of real practice before the warriors of the Red and White are up against real opponents.

F. C. Hoese of Roodhouse was one of the city visitors yesterday.

C. H. Curtis of Sinclair was in the city yesterday.

PIG CLUB SALES MADE AT FAIR THURSDAY

Animals Belonging to Members of Morgan County Pig Club Sold at Auction at Breeders' Fair.

The pig club sale was a feature at the Morgan County fair Thursday morning. The records of the pig club extended from June 1 to August 15. After the pigs had been judged they were sold at auction in the big tent. W. Kinnett was paid $50 for a boar and Harold Pearson the same price for a gilt. These were the record prices of the sale. The list of sales was as follows:

W. Kinnett to Ben Smith, boar $50; to John G. Russwinkle, boar $25; to Applebee and DeFrates, boar, $17.50; to Wilbur Williams, gilt $37.50; to L. A. Reed, gilt $27.50; to E. O. Sample, gilt $17.50; to George Thompson, gilt $30.

Russell Johnson to Ben Smith, gilt $25; to C. L. Hawker, boar, $12.50; to George Thompson, boar $12.50.

Harold Hembrough to C. L. Hawker, boar $10; to Mrs. A. F. Kitner, boar $12.50.

S. Greenleaf to E. O. Sample, boar $15.

C. Nickel to E. O. Green, boar $35.

Riggs Brothers to Porter Bell, boar $35; to L. A. Reed, gilt $27.50; to E. O. Sample, gilt, $45; to Dan Clark, boar, $17.50; to J. A. Luster, gilt, $22.50.

Harold Pearson to J. W. Arnold, two gilts at $37.50; one at $35 and one at $32.50; to E. E. Henry, gilt $50; to Doc Butler, boar, $20; to E. E. Henry boar at $20; George Ruble, boar $17.50; H. C. Massey, boar, $12.50.

The sale of Prince Royal, donated by Autsin Patterson to aid in securing some special hospital equipment for a room at the home of Miss Katherine Koenig, did not take place. The bids offered were not satisfactory. Miss Koenig, however, received a number of contributions toward carrying out the plan she has in mind.

KIWANIS MEMBERS HEAR BISHOP NICHOLSON

Club Members Addressed by Bishop Thomas Nicholson at Regular Meeting Thursday Noon—Committees Appointed.

The need of settling international disputes by arbitration instead of war was emphasized by Bishop Thomas Nicholson in an address made at the Kiwanis club luncheon at the Peacock Inn Thursday noon. Bishop Nicholson was one of a number of guests present, brief addresses being made by Dr. F. A. McCarty of Quincy and Rev. Charles Duncan of Bloomington.

President Felix Farrell, who presided, made announcement of the fact that the charter is to be presented to the club at the meeting Thursday, Sept. 15, when there will be an appropriate ceremonial. Bishop Nicholson presented significant facts in support of his argument that the costs of war in blood and money are making the world burdens of today. These records show that war has cost the nations of the world millions in deathc, 25,000,000 in casualties, to say nothing of $400,000,000 in money. The figures as applied to Italy in the last war have particular significance for all but a billion dollars of the resources of that country were expended in the war, and the loss of life was stupendous.

In discussing after the war problems Bishop Nicholson pointed out that the real task is to correct the things of the spirit and that only thru Christianity can this be accomplished.

Announcement was made that Kiwanis members will begin the golf tournament with Rotary club players next Thursday. The clubs expressed approval of the plan for establishment of a rest room and a committee was appointed including M. A. Hulett, Thomas Worthington and John W. Larson, to co-operate with the county commisioners and committee from other organizations.

The list of guests in addition to those mentioned included Rev. A. S. Coombes, Quincy; Rev. C. Turnall, Villa Grove; Rev. F. B. Madden, Clinton; Rev. C. M. Duncan, Bloomington; W. D. Fairchild, Mattoon; James Baker, Champaign; Rev. W. P. Bowman, Hopedale; H. W. McPherson, Danville; A. S. Flanagan, Hoopeston; S. T. Metcalf, Buffalo; Rev. Eugene M. Antrum, Springfield; Rev. D. V. Gowdy, Mayor E. E. Crabtree, H. C. Clement, R. Y. Rowe, Charles Hopper, all of this city.

In preparation for the formal installation of the club President Farrell appointed the following committees:

Entertainment—Dr. A. B. Applebee, C. E. Williamson, Marcus Hulett, Clarence York, L. F. Berger, Rev. E. L. Pletcher and James Conover.

Selection of place—Secretary Fletcher Hopper.

Refreshments—John Larson.

A MEMORABLE ANNIVERSARY

M. O. Mathews, of this city, has special reason to remember what took place in his life 61 years ago today. His family then lived in Cass county and his father, M. O., another brother and a neighbor boy rode to Jacksonville in a farm wagon to near the great Owen Lovejoy, exponent of freedom, make a speech in what is now Central park. The weather was warm when the party left home, but during the day it turned very cold, so much so that Mr. Mathew's father bought himself an overcoat. Mr. Mathews said his brother and the neighbor boy ran behind the wagon to keep warm. He wonders if there are any persons in Jacksonville who will recall the incident.

MEETING POSTPONED.

The meeting of the Illini club in Morgan county has been indefinitely postponed because of the unfavorable weather conditions which have made it impossible for the out of town members to attend.

The meeting was to be in the form of a party and dance at the Peacock Inn and will be given at a later date when conditions permit.

NEW LINES OF WORK GIVEN CONSIDERATION

Chamber of Commerce Authorized Important Committees — Will War on Check Forgers

The board of directors of the Chamber of Commerce held their regular weekly meeting last night, President R. Y. Rowe presiding.

The recommendation of the committee to stop check forgeries was adopted and the secretary was empowered to offer a standing reward of $100.00 for the arrest and conviction of any check forger that passes worthless checks on members in the future.

The action of the committee appointed to secure the Methodist Epworth League institute for Jacksonville was endorsed and the committee empowered to proceed.

Some important lines of work were authorized and planned for the betterment of Jacksonville, among these being the authorization of a trade extension committee, another to help foster a more friendly feeling with tourists and strangers coming to Jacksonville, and a third to boost the sale of home products.

A representative of the Illinois Chamber of Commerce will be in the city Tuesday for the purpose of getting acquainted with the members and conditions in general, it was announced.

of the transportation and insurance premium taxes and restoration of the taxes on cosmetics and proprietory medicines.

Additional corporation tax is estimated by treasury officials to yield approximately $260,000,000 a year. The transportation tax would return $130,000,000 next year at half the present rates and the insurance taxes and the levies on cosmetics and medicines an additional $25,000,000.

Explains Surtax Scheme.

Explaining his proposal for a further reduction of seven per cent in the maximum income surtax rates, Mr. Mellon was said to have told the committee that the lower rate eventually would return a greater yield to the government than the 32 per cent rate because additional money would be diverted to active business instead of being invested in tax exempt securities.

It was stated that there was no discussion of new sources of taxation and that none was recommended by Mr. Mellon who estimated that the house bill as amended in accordance with his recommendations would meet the needs of the government providtd the economies agreed upon at the white house conference were affected. He was said to have told the committee that he thought they would be and committee members generally were reported as having agreed with him.

As to the authorization in the house bill for the treasury to issue $500,000,000 additional in short term notes it was said, officially that this had no relation to any anticipated deficit and was not wholly necessary as the treasury had asked for it merely with the idea of having a little more margin in funding victory notes and certificates of indebtedness into short term securities.

CONTRACTS LET FOR MORE STATE ROADS

Thirty Five Miles Aggregating a Cost of $893,986.46 Exclusive of Cement Will be Built in Various Parts of State—Several Bids Rejected.

(By The Associated Press)

SPRINGFIELD, Ill., Sept. 8.—Contracts for approximately 35 miles of cement roads upon which bids were received August 23 were awarded by state highway officials tonight. At the same time Superintendent S. E. Bradt announced the rejection of approximately thirty miles. Bids on another 20 miles are still pending investigation. The total amount of the contracts awarded today was $893,986.46, exclusive of cement, which is furnished by the state at an approximate cost of $7,000 per mile.

Contracts for fifty miles were awarded August 20. The remaining 85 miles were held up temporarily while the bids were investigated by Governor Small and highway officers.

TERRIFIC RAIN BRINGS QUIET TO STRIKE ZONE

(Continued from Page One)

north of here, were arraigned today before a justice of the peace, four being charged with rioting and the fifth, Ed Jarvis, a miner from Bush, Ill., with assault and robbery.

Walker Ledbetter, farmer, who was held up Saturday night by 18 armed men who seized his revolver, identified Jarvis as one of the assailants.

Leslie Sherfield, another of the Bush miners captured told the court reports had reached coal miners at Bush that wives and children of strikers at Rosiclare had been driven from their homes and mistreated by company guards. The Bush union, he said, sent ten men here to investigate and aid the women and children.

The miners from northern counties claim they were told that from 20 to 30 miners had been killed in a fight at Rosiclare Tuesday. Sheriff Cox last night seized and impounded twenty rifles belonging to the local American legion post to guard against their reaching the hands of strikers.

The American Legion offiscre are reported to have filed a protest against the seizure with the Legion state headquarters in Springfield.

Springfield, Ill., Sept. 8.—No state guns will be sent to Hardin county at least until a report is received at the governor's office from Adjutant General Frank S. Dickson, who left for the Fluor Spar country today, it was announced here tonight.

Telegrams from Sheriff Cox and Mayor Ferrell, addressed to Governor Small were received today by Lieutenant Governor Sterling, as acting governor. Sheriff Cox asked for 250 rifles, with which to arm deputies. Under the law, it was said here tonight, no more than 100 guns could be sent without state troops.

Altho Acting Governor Sterling will await a report from the adjutant general, it was predicted in semi-official circles here tonight that the next day or two would see a movement of troops towards the Fluor Spar fields unless the situation clears up after General Dickson's arrival.

RETURNS TO COLORADO

Mrs. Elmer E. H. Ticknor left Wednesday for her home in Craig, Colo., after an extended visit with her sons, George and Roy Ticknor and her sister, Mrs. George Moore, northwest of the city. Mrs. Ticknor was formerly a resident of this city, living on Routt street, and found many old time friends glad to greet her once more.

Chris Horrer was down to the city from Joy Prairie yesterday.

MEETS DEATH IN GASOLINE TANK

(By The Associated Press)

BLOOMINGTON, Ill., Sept. 8.—Donning the same gas mask which he had worn while a soldier in France, Lorne P. Murray, a well known young business man of this city descended into an eighteen foot gasoline tank of the Corn Bert Oil company this morning to clean out the tank before filling it.

He finished the task, climbed a rope to within two feet of the top of the tank then fell back to the bottom overcome by the deadly fumes. Before help could arrive and lift his body with hooks and ropes to the top again, life was extinct.

Murray was 23 years old and a member of the firm of Murray-Medberry company, dealers in oils and gasoline. He served in the aviation service in France during the world war and won the rank of first class sergeant in the air mechanics division.

CITY SCHOOLS HAVE ENROLLMENT OF 2,200

Increase in Both High and Grade Schools—Cafeteria Open in Two Weeks.

According to the records available at the office of the superintendent of schools yesterday, the enrollment in Jacksonville public schools is more than 2,200 this year. Reports from the grade schools show that they are unusually full this year and Superintendent H. A. Perrin plans to begin Monday to devote his time to aiding the different principals in making the adjustments made necessary by the large enrollment.

A general teachers' meeting will be held Saturday morning from nine until eleven, in the West Study hall of the high school building.

The furniture and equipment for the new building has been received with the exception of that to be furnished by one contractor. The school office has been advised that the laboratory equipment will be shipped next week and it is hoped that inside of two weeks all equipment will have been received.

The teachers' desks have all been installed and the seating for the students has been arranged. The furniture that recently arrived is being installed and things are getting into normal running condition at the new building.

The high school cafeteria will be opened in about two weeks if the remainder of the furnishings arrive. The cafeteria tables are the only part of the equipment which is not yet here.

CAR JUMPS TRACK.

The east bound street car ran off the track at the switch on the south side of the square yesterday. The mishap occurred about 5 o'clock in the afternoon.

The car was in charge of Motorman Dunavan and was soon back on the tracks. This was accomplished by turning on full power after all the passengers were out, and bumbing the big vehicle onto the tracks. Due to the skillful handling of the car only a few minutes were lost.

COULTAS FUNERAL IS HELD AT MURRAYVILLE

Late Mrs. Josephine Coultas Laid to Rest Thursday Afternoon—Obituary Facts

The funeral services for the late Mrs. Josephine Coultas were held Thursday afternoon at 2 o'clock at the M. E. church in Murrayville. The services were in charge of Rev. C. S. McCullom of New Holland, a former pastor of the church, assisted by Rev. T. L. Coultas of Newark, N. J. The church was filled with relatives and friends of the deceased, who was so well and favorably known in the community.

Appropriate music was furnished by a quartet including Mrs. Austin King, Mrs. Charles Short, Misses Mildred Wright and Stella Cunningham, with Mrs. Nettie Million at the piano.

The floral tributes were profuse and beautiful, and they were cared for by Mrs. Ruth Robinson, Mrs. Ruth Fuller, Mrs. Jessie Hayes and Miss Dorothy Blakeman.

Interment was made in Bethel cemetery southwest of Murrayville, the bearers being Messrs. C. F. Blakeman, J. H. Fuller, S. B. Robinson, Harry Cade, A. R. Hayes and Dr. C. E. Waters.

Josephine Collins Coultas, daughter of William and Margaret Collins, was born near Petersburg, Pike county, Ill., March 16, 1849, and departed this life after four months and more of illness, Sept. 6th, at 7:30 a. m. Deceased was married to George Coultas Feb. 10, 1870. Nine children blessed this union, three dying in infancy, and two sons dying as young men, C. Guy, Aug. 12, 1910, and Wiley D., July 19, 1916. Besides the husband Mrs. Coultas is survived by two sons, G. Herbert of Jacksonville and Frank E. of Denver, Colo.; also two sisters, Mrs. Nora B. Spencer of Roodhouse and Miss Lula at home. She also leaves four grandchildren, one sister Mrs. O. B. Fuller of Murrayville, and one half-brother, Douglas Orchard of Exeter.

"Mother" Coultas, as she usually was known, was converted and joined the Methodist church when 18 years old, living a consistent Christian life since, being a devoted mother and companion in her home. Her children were all taught to pray at their mother's knee. Her last testimony of speech to her husband was "The Lord who has been so good to me all my life will not leave me in this trying hour." A great blessing to her loved ones is the Christian life lived with them and her faith in her Heavenly Father leaves no doubt with them as to her future reward.

MISS CLARA MIDDENDORF BRIDE OF WAVERLY MAN

Well Known Young People Wed in Ceremony at Salem Lutheran Church.

At the Salem Lutheran church yesterday afternoon at 2:30, a beautiful wedding ceremony was solemnized, in which Miss Clara Middendorf became the bride of George Duewer of Waverly. The rites were said before the altar, made lovely by a profusion of flowers and ferns. The Reverend J. G. Kuppler read the marriage service, before a company of sixty friends and relatives of the young couple.

Miss Fannie Motschman of Springfield played before the ceremony an organ solo, "Love's Greetings," and as the bridal party approached, led into the Lohengrin wedding march. The bride was attended by Miss Amelia Middendorf, a sister of the bride, and the groomsman was Clarence Muelhausen. The ushers were Walter Brown of Alexander, and Erwin Middendorf, brother of the groom.

The bride's gown was of white georgette crepe over white satin and a tulle veil caught up into sprays of lillies of the valley. A string of pearls, the gift of the groom, was her only adornment. She carried a bouquet of white roses. Apricot organdie trimmed in blue bands made the bridesmaid's frock, and she carried a bouquet of white Shasta roses.

After the ceremony a reception was held at the home of the bride's parents, Mr. and Mrs. John R. Middendorf, east of the city. The bride and groom left on the afternoon train for Nebraska, where they will make a visit before returning to the home which awaits them on a farm near Waverly.

Mrs. Duewer is the daughter of Mr. and Mrs. John Middendorf, who are well known residents of the Jacksonville vicinity. She attended the county schools and has many friends in the community. She is a member of the Salem Lutheran church.

The groom is the son of Mr. and Mrs. Fred Duewer of Waverly and is a prominent young farmer of the Waverly community.

The wedding guests included Grandfather William Engelbrecht and Herman Englebrecht of Chapin; Mr. and Mrs. John Pfeffer, Sr., grandparents of the groom; John Pfeffer, Jr., Miss Margaret Pfeffer, Mr. and Mrs. William Pfeffer, Mr. and Mrs. Carl Pfeffer and Carl Pfeffer of New Berlin, Rev. and Mrs. K. Hein of New Berlin, Mrs. John Meyer and daughter Katherine of Pleasant Plains, Miss Louise Pfeffer of Aurora, Mr. and Mrs. Clarence Cloyd of Chatham, Mr. and Mrs. Fred Arnstead of Springfield, Mr. and Mrs. August Duewer, Mr. and Mrs. W. H. Duewer, Miss Mary Duewer and Herman Duewer of Waverly, Miss Fannie Motschman, Springfield, Mr. and Mrs. John Kloppe, Mr. and Mrs. William Muelhausen, Mr. and Mrs. Orville Zimmer and daughters, Myrtle and Eloise; Mr. and Mrs. Pat Dowling, Mr. and Mrs. Herman Meyer, Mr. and Mrs. J. A UNION OF CHURCHES.

As is well known, the church near the Wabash station at Markham is of the Methodist Protestant denomination, but for some time they did not have regular services, so some three months ago it was agreed that Rev. G. T. Wetzel, who speaks at Mt. Zion each Sunday morning, would alternate between the two and it was about as convenient for the Mt. Zion people, so the arrangement has worked very well. It has been suggested that possibly the Markham church might join the regular M. E. denomination, though that is a matter for them to decide.

VICTIM OF ACCIDENT DIES.

Mrs. J. H. O'Donnell received the sad news yesterday that Miss Bessie O'Donnell, who was in an auto accident Wednesday night, died yesterday in St. Mary's hospital in Streator, Illinois. The tragedy occurred late Wednesday evening when the car in which Mr. and Mrs. Frank O'Donnell and two daughters were riding was struck by a train at a grade crossing near Streator. John H. O'Donnel of this city, brother of Mr. O'Donnell, left immediately for Streator, as did Mr. and Mrs. Thomas O'Donnell of Winchester. The other members of the family were also injured but they are expected to recover.

PROBATE COURT.

In the estate of Warren Daniels, the final report as made by Nannie Daniels and Katie Patterson, executrices, was aproved.

In the estate of Christopher Mader, the petition to omit appraisement was allowed and the inventory approved.

The Range With a Reputation. For a long and satisfactory service the beautiful Great Majestic is in a class by itself. It saves you money on fuel—it lessens work in the kitchen—it insures delightful consistent baking results. And Great Majestic ranges last for years and years.

Beautifully Finished Throughout. Great Majestic ranges are beautiful to look at. Also they are unusually easy to keep spick and span. The polished cooking top is burnished a deep rich lasting blue. No blacking required—an occasional application of paraffine is all that is ever needed to keep the top bright and gleaming. All surfaces are perfectly smooth—an advantage gained through the Great Majestic unseen-rivet construction. The trimmings are all heavily nickeled for lasting beauty.

Built for Years and Years of Service. In every detail the Great Majestic is durably constructed of the very highest quality materials. Bodies are of Charcoal Iron. They resist rust and last three times longer than steel. Frames are malleable iron—practically unbreakable. Heavy asbestos lining prevents loss of heat—conserves fuel. Heat-tight riveted construction insures perfect heat control throughout the long life of the range.

Come in early this week—look the Great Majestic over carefully. Take advantage of the present exceptionally low price—get the complete set of cooking-ware FREE!

General conference sessions re held Thursday morning and ernoon and at night Bishop W. McDowell of Washington, D. delivered an address at Cenary church. The bishop had his theme "A World View om Washington," and he disssed the responsibility of the S., in its relation to the rest of e world in present confused nditions.

Certificates of Retirement.

The annual meeting of the eachers Aid society was held in e afternoon and afterward a rmon was delivered by Dr. estine Smith. Reports from oomington and Springfield disicts were presented to the conrence. An impressive feature of e morning conference sessions as the granting of certificates retirement to 29 super-annuat ministers of the conference. In thorizing the certificates issued e conference expressed its apeciation of the services renderd by these ministers.

At Centenary church last night ev. E. L. Fletcher presided. The ssemblage was fortunate in havg the presence of Mr. and Mrs. P. Phillips who are just closg a summer concert tour that as taken them into eight states. r. Phillips sang "The Lost hord" by Sullivan, and then he nd Mrs. Phillips sang "The Lord s My Light" by Matthews. Miss arimore played the organ acompaniments. Mrs. Phillips is he soloist at the Fullerton Avenue Presbyterian church in Chiago and Mr. Phillips is the soloist in the First Congregational hurch of Oak Park. Both have harge of the vocal department at the University School of Music at Lake Forest university and are mmbers of the Cosmopolitan School of Music in Chicago. The mere statement of these facts gives proof of the place they hold in the musical world.

U. S. Spared for Service.

Rev. Mr. Pletcher expressed his pleasure in introducing Bishop McDowell, who formerly served in this area and holds a very warm place in the hearts of ministers and laymen of the conference. Bishop McDowell took "The World From Washington," as the theme of his address, which teemed with lofty ideals for America as a nation and the people of the churches as individuals. He said that conditions are such that he wished to speak not idly or flippantly but with "a desperate seriousness." He drew the conclusion that the people of America were spared from death and the wealth of America was saved because God has a great work for this country and these people to perform. As this bishop of the church sees it, America's duty is clear and that path of duty must be followed no matter what is the course of action on the part of other nations.

"By Washington, I mean," the speaker said, "the viewpoint of the U. S., for Washington is the place where the sentiment of the U. S., finds its expression as to the relationship of this country to the rest of the world.

"There is always a tendency to let the things that we thought were our ideals slip a little when the strain is over. In the third stage of the war we said that we were fighting to end wars and we intended that there should be no more such struggles. Now it is somewhat difficult to tell whether that was good idealnsm or good strategy. But the great fact is that it is in times like the present t hat our ideals and visions must be kept up and not allowed to slip or the world will not recover in a million years.

"We recognize that the world is in a jam. You know what a jam of logs means, and there is no one who is yet able to see the key log. Some think it is taxes, others the tariff or freight movement or building or a league of nations. So because of the jam civilization is in a bad way. The ideals that we fought for we must not now surrender, in these sober days of the world's rebuilding.

"Notwithstanding Ambassador Harvey, we thought in the war time that we were fighting for the things worth while, that we were behaving worthily. But if our thoughts and actions were not worthy, let us make them so now, and cleave to the ideals for a long period. We need the idealism that will hold not for six months or a year but that will never let go.

Must Maintain Ideals.

"There is too much of conditional loyalty and patriotism in this world. When they dug in the ruins of ancient Pompeii there was proof of the confusion which reigned as the city was being buried. But the figure of a Roman soldier stood erect as if he realized that in a time of confusion it was his duty to stand fast. So no matter what the rest of the [illegible] time, it is the duty of the U. S. to keep its head, to maintain its ideals and to refuse to be sorid even if the country stands alone. No man can be in Washington long without being impressed with the fact that the U. S ., cannot keep out of world affairs, even if it would. The day of its magnificent isolation is a thing of the past.

"In my humble judgment never in the history of the world since the call of Abraham has any other people been so distinctly called to world service as are we of the U. S., and we must not fail to answer. We think of these as troublesome times—and they are, but great times as well, since they afford us such wonderful opportunities for service. We ought to thank God for the opportunity that comes to us this day of leading China to Christian civilization. Think what are the possibilities of service in leading stumbling Russia.

"It is in the power of America today to make the world what it should be in many ways. Who now is to become the school master of the world? Did God save your young men because He thought moreof them than of the young men of France and England? Did He save the wealth of America because of a greater regard than for the countries of Europe. I do not believe so, but I do believe that He saved this this life and wealth of America because of the great task that He wanted this nation to perform. Today if America fails to lead the world the world has no other chance to be led.

The Disarmament Conference.

"Ours is the duty to take up the cross of teaching instead of shooting. Ours is not the duty to show the world that we can make the best battleships or the most poisonous gas, nor that we have the largest treasury, but it is our duty to show to the world that there is no need of war. As the disarmament conference is about to meet I believe that we have a president and secretary of state with a great eagerness in their hearts to be able to show to other nations that there is no need for war.

"No more important gathering has been held in my lifetime or yours than than conference soon to meet. Considered only from the lowest motive, but the practical, since 92 per cent of government costs now relate to war, why shouldn't the proposition be reversed and have the 8 per cent for war and 92 per cent for the influences that come from education and religion. Then there is that greater motive, that the world shall be taught that the spirit of hate need not exist nor express itself in armed conflict. This indeed wil be a glad, glad world when that great lesson has been learned."

Morning Session.

Thursday morning the conference began promptly on time with a half hour devotional service, led by Bishop Nicholson. It was a time of deep interest to all.

One of the first items of the business session was a cablegram of congratulations from the ecumenical council or conference in session in England, and a response was ordered.

Rev. J. C. Nate then gave an informal report of the Danville district while he was district superintendent. It was merely verbal and not formal, but he spoke feelingly of the work done, the harmony existing, the faithfulness of the people and the good results.

District Superintendent Duncan then reported for the Bloomington district. His report was decidedly optimistic thruout. He praised the efficiency of the ministers and told of one charge, Ebenezer, which had seemed on the eve of dissolution but had been revived and was now asking for a young beginner to whom they would pay $2,000 and parsonage. He said there were four especial stewardships to which the Christian should pay especial attention: The stewardship of time, of prayer, of life service and money. All these should the faithful follower of the Redeemer especially repard.

The Sunday school and the day school and the church can not make up for religious training at home. It is in the home that characters are made and the responsibility cannot be delegated to any other person or body.

A fraternal letter was read from Rev. George Palmer, a relative of the Rutledge family, so well known in conference circles. He said he and his wife had enjoyed married life 61 years and were happy in it.

The remainder of the session was devoted to discussion of conference claimants and matters pertaining thereto. All present who had served forty years or more were asked to rise and 29 did so and were most affectionately greeted.

Preachers' Aid Society.

As a part of the conference program yesterday, the annual meeting of the Preachers' Aid society was held. The reports for the year were presented, showing substantial progress. Especial interest attached to the report of Hiram B. Prentice, who has just closed his 32nd year as treasurer of the organization. This report shows total assets in the hands of Mr. Prentice of $396,728.40.

The officers who have been serving were re-elected:

President—B. F. Shipp, Tuscola.

Vice president—Christ Galeener, Carrollton.

Secretary—C. H. Gibbs, Decatur.

Treasurer—Hiram B. Prentice, Decatur.

These officers, together with the following men, constitute the board of control: A. M. Wells, Decatur; C. F. Buker, Lincoln; T. N. Ewing, Decatur; George F. Connard and L. W. Sherley, Decatur; Messrs. Prentice, Connard and Sherley are laymen.

It was brought to mind in the reports that this is the 50th anniversary of the organization of the Preachers' Aid society. Among the incorporators were Rev. W. S. Prentice, father of the present treasurer; Dr. Phillips, father of Rev. W. S. Phillips; Dr. P. G. Gillett, father of Charles P Gillett; John A. Chestnut and a number of other men whose names are famous in Methodism.

The affairs of the aid society have been well managed nd the reports presented showed clearly its sound financial condition.

CONFERENCE NOTES

The jury selected to hear the charges against Rev. F. H. Lathrop includes the following ministers: Christie Galeener, W. A. Smith, C. R. Morrison, E. L. Tobie, C. W. Hamand, C. E. Pettit, W. W. Theobald, H. A. Cole and A. E. Havighurst.

This jury is also hearing the evidence in another case wherein charges were preferred

The usual mystery attends the sessions of the bishop and his cabinet. These sessions are held at least twice daily at the Woman's college, when questions of appointments are considered. More than the usual number of problems must be worked out this year from all indications, and there is little chance that the list of appointmentse will be made known before Monday afternoon.

Rev. W. R. Leslie is among the visitors and is being warmly gretted by his former parishioners at Centenary. It will be remembered that Rev. Mr Leslie has recently been called to a strong Methodist church in New England at a salary of $5,000.

Dr. Crook, of the faculty of Northwestern University is among the conference visitors. He is accompanied by his mother, who finds many long time friends in Jacksonville. It will be remembered by some of the older residents that the elder Dr. Crook was pastor of Grace church from 1877 to 1879.

President L. H. Murlin of Boston University, met with a group of graduates of that institution in the theological department, at a luncheon at Peacock Inn, Wednesday evening. There were 30 men, members of the conference, present.

Prof. Rolls, of Garret Biblical institute of Evanston, addressed the conference yesterday in the interest of that school.

The granddaughters of Peter Cartwright (Mrs. Rowan and Mrs. Caldwell), and daughter of W. D. R. Trotter, both living in Jacksonville, were heartily welcomed to the conference yesterday. Bishop Nicholson announced their presence in the east side gallery, and that the conference rise and greet these elect women of Centenary church.

Conference elected to go to Grace church, Decatur, by a two to one vote, as in competition with First church, Champaign. The central location of Decatur, as well as the good representation of its pastor, Rev. A. M. Wells, won the prize. Champaign may have a chance next year, when the lay electorial conference will also meet and elect general conference delegation.

BIG EXPORTS OF WHEAT WILL HELP

WASHINGTON, Sept. 8.—Unprecedented exports of wheat during August should react favorably on agricultural and business conditions thruout the country, Secretary Hoover declared today. According to his reports wheat exports during the past month amounted to 33,595,000 bushels or about four times the volume of any pre-war figures for the month of August. Increase in the movement of wheat Mr. Hoover said should particularly east the credit situation thru a lessoned demand upon the war finance corporation for advances. Exports of wheat to Europe have been browing he added notwithstanding that the crop in European ecuntries has been above normal while the crop in this country has fallen below the average this year. The failure of the potato crop in Europe he explained, has forced the use of wheat products as a substitute and this country as a result has been called upon for additional supplies.

STORM WARNING IS ISSUED

WASHINGTON, Sept. 8.—An advisory storm warning was issued by the weather bureau at 10 p. m., tonight, saying:

"Reports this afternoon confirm presence of a disturbance of considerable intensity in the vicinity of the Island of Grenada, moving west-northwestward. Caution advised all vessels bound for and in eastern and central Carribean sea."

SOCIAL SERVICE DIRECTORS MEET

Meeting Held in League Rooms Thursday Evening — Publicity Committee Apointed.

The board of directors of the Social Service League met in the league rooms yesterday evening at 7:30 o'clock. The regular business of the board was soon disposed of and the main issue of the league work taken up.

This issue is the Social Service campaign which is to be held during the week beginning October 9. The reports of the committees concerning the preparations were heard and approved.

The committee in charge of this publicity campaign is as follows; Judge H. P. Samuell, chairman; Thomas Worthington, J. E. Osborne, Mrs. E. P. Cleary and Mrs. M. H. Havenhill. At this time a sub-committee was appointed to elect a business manager to handle the campaign. This committee is as follows, Judge Samuell, Thomas Worthington and J. E. Osborne.

The campaign will be for the purpose of arousing public interest in the social service work and for the purpose of raising the $3,850 budget which is necessary for the program set for the coming year. It was also decided to employ a case worker who will visit the different cases in their homes, just as soon as the right person could be found.

Miss Lucy Catlin, who has been acting superintendent during Miss Ann Fowler's absence on her vacation, made her report which showed some very efficient work.

Social Events

Entertain at Dinner

Mr. and Mrs. T. B. Reeve entertained a number at six o'clock dinner last evening in honor of their guests who are here for the Methodist conference. Among the guests were Rev. and Mrs. C. R. Morrison and son, Reece of Savoy, Illinois, and Rev. and Mrs. W. F. Theobald of Illiopolis and their son, Rev. Walter Theobald of Catlin, Illinois.

Class Has First Meeting of Fall

The Delta Alpha class of Central Christian church held the first meeting of the fall season last evening at the church. Before the business meeting an excellent picnic supper was served. About fifteen members were present and interesting plans for the coming year were talked over. Miss Pearl Moxon president of the class presided. The supper was planned by Miss Mabel Ryle.

Entertains Sunshine Club

Anna Margaret Vannier entertained the members of the Sunshine club Thursday afternoon at her home on Jordan street. This class is composed of ten girls taught by Miss Nellie Cunningham in the State Street church Sunday school. After a business meeting came a social hour and the serving of dainty refreshments by the hostess.

State Street Church Bible Class Picnics.

The Woman's Bible class of State Street Presbyterian church enjoyed a picnic at Mrs. J. H. Danskin's cottage at Nichols park Thursday afternoon. A delicious supper was served. Among the guests were Superintendent T. M. Tomlinson, Rev. and Mrs. W. H. Marbach and J. S. Findley, who is serving temporarily as teacher.

Entertains for Sister.

Mrs. William Shibe entertained in honor of her sister, Mrs. A. G. Steven, who is visiting here from Jacksonville, Florida. A limited number of intimate friends were invited to the charming party, which was given at the Shibe residence on Sandusky street.

Miss William Hostess to Bridge Club.

Miss Eva Williams was hostess to the Bridge club yeterday afternoon at her home on North Webster avenue. Delicious refreshments were served by the hostess, after several enjoyable hours of bridge.

Last Meeting of Club Year Held.

The last meeting for the year of the Mound Woman's Country club was held at the home of Mrs. John Gunn, west of Jacksonville. At this meeting, which was an all day affair, the members occupied the time with sewing for the Near East Relief.

Surprise At Barnhart Home.

A pleasant surprise party was given Wednesday evening in honor of Miss Lucille Barnhart, by her parents, Mr. and Mrs. G. M. Barnhart, at the family residence on South Main street.

Several friends and members of the young lady's Sunday school class were present and the delightful evening was spent in enjoying games and other amusements.

ARMY STUFF SELLS CHEAP AT CAMP GRANT

ROCKFORD, Ill., Sept. 8.—Nearly four thousand buyers or would-be buyers, participated in the government auction of one-fourth of the Camp Grant barracks and fittings, held here today. The sale, conducted by the Gerth Realty company, of New Orleans, realized scarecly two cents on the dollar, according to officials. Barracks suitable to be razed for lumber went at an average price of $150. Elsewhere similar buildings have been auctioned for from $300 to $400.

Big buyers held off at the sale here and more than 300 local buyers gobbled up the offerings in lots of one and two,

The ceremony was witnessed by George M. Hart and Mrs. Lillie Mae Reinsch. The groom is a farmer and they will reside on a farm near this city.

GLENN CANNON HOME BURGLARIZED

Thieves Gain Entrance Thru Front Door and Secure About $9 in Money.

Some time between 8 and 9:30 o'clock Thursday evening thieves entered the residence of Glenn Cannon, 517 East State street while the family was away and secured about $9 in cash.

The thieves gained entrance thru the front door and ransacked the entire house. Eight dollars of the money was taken from a pocketbook and $1 in change was secured from a dresser drawer. There were other valuables in the residence but they were overlooked by the thieves.

Upon returning home and discovering the theft Mr. Cannon notified the police and Chief Kiloran who was at the station responded. Later Officers Williams and Blue also went to the Cannon home. The thieves left no clue but the police are of the opinion that the burglary was committed by local talent.

DISABLED SOLDIERS TO SEE PICTURES

Harrison Dickson Post Veterans of Foreign Wars, Invites Soldiers at State Hospital to See Pictures at Grand.

Harrison A. Dickson post, No. 503, Veterans of Foreign Wars, held its regular meeting last evening at which time the regular business was transacted.

The resignation of Worthington Adams as quartermaster was submitted and accepted. Mr. Adams is soon to leave for Florida where he will engage in a business enterprise. Emmet Miller was elected quartermaster to succeed him.

At this meeting a committee was appointed to tender an invitation thru Dr. Hill, to the disabled soldiers to attend the U. S. official battle films, which will be shown at the Grand Opera House on Sept. 19 and 20.

Then followed the reports of several committees for the show and all reports were very favorable. The services of Boy Scout Troop No. 2 were offered by Scoutmaster Harry E. Walker and accepted to help with the sale of the tickets.

Ticket headquarters are at Richards Book store on the east side of the square. In a day or so the picture of the veteran who gave his life for his country and for whom this post of the Veterans of the Foreign Wars is named, Harrison A. Dickson, will be displayed.

Our Ice Cream is Better Than It Has Ever Been---Hence, We Can Say the Same About Our Business

That's what the public is interested in, something better. There is no 'best' for nothing is perfect, yet nothing is so good that it may not be improved. We believed we could serve the public better if we made our own creams and ices. We believed we could make a better product, and in making it ourselves could keep it standard and uniform and perhaps from time to time improve it. Hence, now we advertise that all creams and ices sold by us are made by us.

NEW CIGAR FIRM TO BE LAUNCHED

Local Cigarmakers Lease Building Formerly Occupied by the Kent-McCarthy Factory — Organization to Be Known As Ogar Cigar Company.

Within a few days ten local cigarmakers will launch the Ogar Cigar factory in the building at the corner of West North and North West street, formerly occupied by the Kent-McCarthy company.

The men who form this new company are all expert cigarmakers and have been employed in the McCarthy-Gebert factory until the recent layoff. The officers of the new company are:

President—John E. Fogarty.
Vice president—Frank Winters.
Secretary—Stacy Caldin.
Treasurer—Harry Potter.

Other members of the organization are: Joseph Pulaski, Harold Nunes, Roy Anders, Herman Lehr, Thomas Riley and John Gloot.

The members of the new firm were busily engaged Wednesday in cleaning up their building. They have already purchased their tobacco but will have to await the action of the internal revenue collector before they can commence business. They hope to be able to start work some time next week. All of the men have been residents of Jacksonville for some time and are well and favorably known. They expect to make the Ogar in both five and ten cent cigars and possibly a higher price.

For the present only the members of the firm will be employed. However, the company hopes as time passes that the business will expand so that many more men can be employed. They have a most desirable location and one which was erected especially for the cigar business. The new company will be welcome addition to the business life of the city.

An Old Time Methodist Conference

Rev. A. C. Adams, of Casey, Ill., has a copy of the Mount Carmel Sentinel and Wabash Advocate of October 21, 1835, loaned to him by an old-time friend, which contains some very interesting items. One of the things noted was a proposition in favor of William Henry Harrison for president and John Sergeant for vice president. But the article headed "Illinois Conference" is of especial interest in view of the meeting now of the 98th session in our city. This old time meeting of the Illinois conference was the 12th and was held in Springfield. It is as follows: "The Illinois conference of the Illinois conference was held in Springfield, Sangamon county, commencing on the 1st (October), and closed on the 8th. It was numerously attended, unusually interesting and one of great importance to the rising church in the wilderness. The accessions to the church in membership the past year was not so large as former years, but a greater increase in the traveling connection than usual, 22 being admitted on trial and ten transferred from other conferences, making 32 in addition to the former number. There were 78 preachers who received appointments and seven superanuates. The apointments of preachers for the ensuing year is as follows: Wabash district: Michael S. Taylor, presiding elder (we note only a few of the apointments): Danville circuit, W. S. Crissy and David Coalton; Charleston mission, Justus R. Ryman; Shelbyville circuit, John Chamberland; Paris circuit, J. Reynolds and one to be supplied; Mt. Vernon district, John Van Cleave, P. E. (eight appointments; Lebanon district, Simon Peter, P. E.; Hillsboro circuit, W. L. Jenkins; Carlinville circuit, William Meldrum; Carrollton circuit, D. Cory and Norman Allen and five other appointments in southern Illinois; Sangamon district, John Sinclair, P. E.; Jacksonville station, John S. Barger; Jacksonville circuit, J. A. Bristow and W. H. Windom; Sangamon circuit, George Rutledge and W. Dunahay; Springfield station, Hooper Crews; Flat Branch mission, Richard Bird; Athens circuit, Moses Clemfit and S. P. Have You Got Over That Little Attack of Pessimism?

--we have!

We'll admit that during the hot weeks just passed some things did look a bit dubious but that's all over now. It's going to take a lot more than "talk" to stampede us into the belief that "everything is all wrong." It isn't. Everything is working out all right, and we'll have good times aplenty if everybody will just get his shoulder to the wheel and push, and talk and act 'em. The world has been full of gloom and it takes a little time to get over it—a little work and a little patience. We're for that strong. And,

Larger Crops Follow the Hoosier Grain Drill

The Reason

With the Hoosier, you sow just what you want, just where you want, just when you want. The construction of the feed cup makes the quantity just right, the construction of the boot puts the seed where you wish and the general construction of the Hoosier assures you of drilling when you desire.

With the new price we are now making on the most successful drill ever placed on the market, you cannot afford to use a worn out drill, neither can you afford to take a chance of getting one when the season is on.

Procrastination is the theft of time. The man who acts is the one who does things while the other fellow sits still and is sorry.

Call in. We will be pleased to give you our proposition and to show you why you need THE HOOSIER DRILL, THE DRILL THAT ALWAYS SATISFIES.

WALTER COX HAS BIG BIRTHDAY

Wins Classic Charter Oak Stake for First Time in Career as Driver—Also Takes Two Other Races.

Hartford, Conn., Sept. 8.—Walter Cox celebrated his fifty-third birthday here this afternoon by winning for the first time in his career the clasic Charter Oak Stake, the feature of the Grand Circuit meeting at Charter Oak Park here each year. The Laurel Hall driver also took the Three Year Old Trotting event in which Sillidar, Murphy's unbeaten colt until today finished outside the money.

Periscope went down to its first defeat of the season in the Charter Oak event and Grey Worthy, driven by Cox, won the 3 heats handily. The time for the first heat 2:02¼, as well as that for the second, 2:03½, broke the record for the event.

In the third race of the afternoon Ruth Patch won from a field of seven other 2:10 pacers after a three heat battle with Almaden Onward, local half mile track horse, in which Berry's mount won the second heat in a nose finish and all but overtook Ruth Patch at the wire in the third.

CLEVELAND PROVED EASY FOR DETROIT

Cleveland, O., Sept. 8.—Cleveland wound up its 1921 home games today by being defeated by Detroit 15 to 1. Dauss was effective all the way while none of the Cleveland pitchers could stop the Tigers. Sothoron was not well supported and his own errors were costly.

Why Grind Cylinders?

No matter what other conditions may be, after a gas engine has been run a few thousand miles its cylinders are worn out of round; they leak oil and gasoline if this condition is not corrected.

Grinding is the only recognized mechanical means of lining up the cylinder walls to an accuracy of one thousandth of an inch.

The cost of grinding averages one-third the price of a new block. Therefore regrinding is an economical as well as practical thing to do.

Regrinding is not, however, a "cure-all" for all gas engine ills. In order to reach perfection of operation it is necessary to work over all worn parts which vaires in cost with the degree of wear. This wear we are constantly urging the public to keep down to a minimum by using a clean, high grade oil in the crank case at all times.

We handle and recommend the use of MOBILOILS "the oil that lubricates most"

WE Serve You

SERVICE!

We like to put it in capitals that way because we believe it is the most important thing in the battery business.

Of course we can't make a new battery out of an old one, or a good battery out of a poor one or a long-lived battery out of a short-lived one. There are limits even to battery service.

But we can make any battery last longer and serve better if you give us a chance. We can make the Willard Threaded Rubber Battery do both—and it already holds records for long life and reliability.

We can always do more with a battery if we get a chance right at the start, although we are ready to help any time. Come in!

RUTH WITHIN ONE OF HOME RUN RECORD

Poled Out Fifty-Third Circuit Smash at Philadelphia Yesterday—Athletics Win by Score of 6 to 5.

PHILADELPHIA, Sept. 8.—A double by Perkins, and a single by Pinchhitter Johnson today gave Philadelphia two runs and a ninth inning victory over New York by the score of 6 to 5. Rommel's wildness in the third inning when he gave three successive passes and errors by the Athletics in the fifth accouned for four of New York's five runs. The other tally was Ruth's fifty-third home run this season.

He now needs only one more to equal his world's record of last year.

BOSTON DIVIDED DOUBLE HEADER

Boston, Sept. 8.—Boston divided today's double headed with Philadelphia. Oeschger pitched brilliantly in the first game until the sixth and had a 6 to 0 lead. He had held the visitors to 3 hits and in the fourth had retired the side—Lebourveau, Williams and Konetchy—on nine pitched balls, each of three being called out on the third strike.

Then Philadelphia made eight runs in the ninth winning 8 to 6. Oeschger was knocked out with seven of the eight runs against his account. Boston easily won the second game 13 to 2.

HIS CONSCIENCE TROUBLED HIM

"I know I have done wrong, please forgive me for not doing my duty and writing to you before. I am thankful to God for the good remedy He gave you, and would not take $500 for the good the first dose gave me. I have been bothered for many years with gas in my stomach and indigestion, but since taking Mayr's Wonderful Remedy two years ago, have had no such trouble. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. The New Peoria Grain Drill

Shown here represents the best there is in a grain drill. Two levers, high broad wheels. A frame back of the drill that seat and liners are attached to. The genuine single disc shoe drill. The disc opens the furrow and the shoe holds it open until the grain drops to the bottom of the furrow. All the same depth.

WAVE OF ENTHUSIASM SWEEPS OVER NATION

Thousands Write Grateful Letters of Appreciation as Famous Medicine Continues to Accomplish Remarkable Results—Great Tanlac Laboratories Running at Top Speed to Supply Record Breaking Demand—Over Half a Million Bottles Behind With Orders.

By CHARLES MURRAY GILBERT

ATLANTA, Ga., September 9.—"Tanlac made me feel younger." "It put me back on the payroll." "I now have a fine appetite." "I can eat whatever I want." "No more dyspepsia for me." "I gained weight rapidly." These and scores of like expressions are now heard daily from tens of thousands, as grateful users of Tanlac tell of their experiences.

Leading drug men of the country are amazed at the tremendous sales of Tanlac, and point out enthusiastically that nothing has ever equalled the phenomenal demand for this preparation.

At the great Tanlac laboratories at Dayton, Ohio, letters and telegrams are pouring in daily asking that shipments of Tanlac be rushed at once. Many of these orders are for full carload shipments and quite a few of them for two and three carloads. Although running at top speed, the Tanlac laboratories are now over half a million bottles, or approximately twenty-four carloads behind with orders. This announcement will no doubt be received with great surprise in the drug world, because business in many lines, especially in the drug and medicine business, has been off from 40 to 50 per cent.

Agents in Every Town

One druggist in every city, town and village in the United States and Canada where agencies have not already been established will be awarded the exclusive publicity agency for Tanlac within the next thirty days. These agencies will carry with them a big publicity campaign exclusively for the one druggist in each city and town who secures the agency.

Tanlac is going right ahead more vigorously than ever before. For Tanlac there is no such thing as business depression. In fact, Tanlac does not believe there is such a thing as hard times; at least, not in the drug business. Things are getting better every day. In a few weeks' time crops will begin to move. Hundreds of millions of dollars will be put into circulation, and business will soon be back on a better and sounder basis than in years.

Notice to Dealers

Many wholesalers and manufacturers stopped pushing at the very first sign of a dark cloud. The result being that many drug lines slumped. Tanlac went right ahead and the result has been that more Tanlac has been sold during the first six months of the present year than in any corresponding period in the past.

Line up with Tanlac. Connect with a product that sells no matter how the times, because of its superior merit.

Although Tanlac has been on the market over six years, it is an actual fact that more Tanlac is being sold today with the same amount of advertising than during any time in the past.

Tanlac will not only prove your greatest seller for this year, but for many years to come.

Tanlac is sold by leading druggists everywhere.—Adv.

Daily Market Report

WHEAT PRICES AVERAGED LOWER

By Associated Press.

CHICAGO, Sept. 8.—Wheat prices averaged lower on the board of trade here today for a good part of the day but rallied very sharply near the close and at one time the deferred deliveries were higher than yesterday's finish. September wheat showed more strength than December making a gain for the day of ½@¾c over last night's finish while December close was the same as the day previous.

Outside trade was not as large as yesterday but there was a good class of buying on the breaks while on the bulges there was considerable selling by commission houses.

Strength at Minneapolis where Sept. advanced 2¾c and December 2c over yesterday's close on buying of September by elevator interests and of December by mills started many of the local professionals who sold out yesterday to reinstating their lines and this helped make for the sharp advance.

Corn and oats were firmer with wheat.

Buying was scattered in these grains with oats showing more strength than corn. The trade anticipated a rather bearish government report on corn. Corn closed ¾c to 1c over the finish of yesterday while oats finished 1 to 1¼c higher than yesterday's close.

Lard broke sharply at the start in sympathy with cotton and on delivery of 1,750,000 pounds on September contracts. Stop orders were caught on the way down. The market was lower.

UPWARD MOVEMENT HALTED THURSDAY

By Associated Press.

NEW YORK, Sept. 8.—The upward movement in the stock market was halted today shorts renewing their aggressions partly as a result of foreign advices which bore more or less directly upon home markets.

Private cables from London hinted at another crisis in the Irish situation altho this was not reflected in the British exchange rate.

The collapse of marks to virtually the lowest quotation since the armistice however, directed attention to Germany's strained economic condition. Unsettlement in the local cotton market where options suffered another setback alsoserved to restrain bullish operations. In financial circles the reversal was regarded as a logical reaction from the recent extraordinary advance.

The better trend of the bond list confirmed the impression prevalent in many quarters that investment money continues to seek an outlet.

Domestic rails and industrials were mainly higher with various foreign issues. Liberty issues showed mixed grains and losses. Total sales (par value) $13,650,000.

WHITE HALL CEMETERY ASSOCIATION MET

Elected Trustees at Meeting Monday Afternoon—Other Greene County News.

White Hall, Sept. 7—An election of trustees of the White Hall Cemetery Association was held in the city hall Monday afternoon from 1 to 4 o'clock to choose a board to succeed G. S. Vosseller, deceased; W. C. Baker, Clarence E. Potts, Edward Ross and Marcus North, retired. Two tickets appeared under the impression that there was a move to oust Ora Brown as sexton. The successful ticket was composed of Mrs. Mamie Winters, 51 votes; J. H. Fox, 55; S. G. Sykes, 54; J. H. Piper, 54; A. E. Vosseller, 55 votes. The opposition ticket was gotten out by Brown and it drew considerable attention, resulting as follows: Harry Price, 17; George North, 19; A. J. Barnett, 17; George Griswold ,20; George Chism, 18. A total of 75 votes were polled, each vote representing a full lot, and there appears to have been little reason for the apparent opposition to Brown as sexton except that engendered by himself. Consequently there is possibility of a change of the job of sexton. The new board favors improvements being carried out that have been under consideration for years.

The strong sentiment that has developed at Springfield over the creation of the office of city forester has been read by the local public with a great deal of interest, and it has impressed Jeff Burris to such an extent that he sees in the new movement an oportunity for him to engage in the business of providing shade and ornamental trees. He hopes to get the job of replanting such of the soldier memorial trees on the soldier's monument grounds as have died, and has accumulated some orders that he will fill during the winter months. Mr. Burris is a tree man of the practical sort, and knows where to locate shade trees of varying sizes for replanting. He says if the business would justify, he would provide himself with a horse and wagon this winter and fill all orders. It is hoped that the various women's clubs in charge of the soldiers' memorial trees will give him the job at the soldiers' monument. Mr. Burris reports that he has selected an elm that he will bring to town and plant to the memory of the late Capt. E. J. Pearce, journalist.
